TechShow -- A Networking Opportunity

Chicago-Kent College of Law Center for Law and Computers is a cosponsor of an annual national conference designed for practicing lawyers, MIS professionals, and administrators who use -- or want to use -- technology. These men and women will be in Chicago, March 25-27, 1993, to attend sessions on automated practice systems, legal applications and impact of Internet, advances in litigation support, and more. Pick up a detailed brochure of the conference in the computer lab, Room 700. Students who want an opportunity to meet these lawyers from across the country and to discuss their interest in technology are invited to take part in the 1993 ABA TechShow, March 25-27, 1993.

The Computer Center is looking for students to volunteer to staff the Chicago-Kent exhibit, answer questions, and disseminate materials. Volunteers will have the opportunity to attend the conference sessions at no cost on a space-available basis.

The conference is being held at the Sheraton Chicago Hotel and Towers, 301 East North Water Street. Students can meet conference participants and discuss Chicago-Kent's leading role in integrating technology into legal education at the exhibit. In addition, on Saturday morning, March 27, 1993, Chicago-Kent will sponsor hands-on computer workshops at the law school for participants interested in document assembly and expert systems, where student volunteers can meet the top document assembly vendors.

Sign up to take part in this unique conference, the 1993 TechShow, by emailing Rosemary Shiels (RSHIELS). If you have any questions, please contact Rosemary Shiels.

In 1988, Mr. Quinn wrote "How to Appeal Your Illinois Property Taxes Without A Lawyer." He has taught property tax law at Chicago-Kent. As state treasurer he has used the state's deposit power targeting investments to help agriculture, housing, business and recycling in Illinois. Quinn also created linked deposit programs to help veterans, persons with disabilities, displaced workers, rural communities seeking doctors and small business in need of credit. The treasurer's new Homestart program is designed to help more working families become homeowners in Illinois through a network of lenders offering low down-payment mortgages and flexible lending terms. As state treasurer, Mr. Quinn serves on several other state boards and commissions including the Illinois State Board of (Pension) Investment, the Rural Bond Bank, the Recycling Market Development Task Force, the Community Development Finance Corporation, and Prairie State 2000, a public-private workforce training partnership.

Mr. Quinn is politically best known for his populist stance. He is founder of the Coalition for Political Honesty. In 1976, a coalition petition drive halted the practice that allowed Illinois legislators to collect their entire annual salary on their first day in office. In 1980, the coalition spearheaded the referendum campaign for the Cutback Amendment which reduced the size of the Illinois House of Representatives from 177 to 118 members. In 1983, a coalition referendum drive led to passage of the landmark Citizen Utility Board law setting up the largest consumer group in Illinois. Mr. Quinn has close ties to Ralph Nadar.

For those students who borrow student loans through Law Access, THE ELECTRONIC AGE IS HERE!!! You can apply for your loans electronically (any remaining 1992-93 loans or summer loans), although you must still sign a paper promissory note and certification sheet (available in the Office of Admissions and Financial Aid, Suite 230). Applying for your loans on-line cuts down on the amount of paper you need to fill out, as well as mailing time.

Instructions for applying on-line for loans through Law Access:

1. Complete a paper promissory note and sign the certification form in the Office of Admissions and Financial Aid, Suite 230
2. Sign onto KENTNET

3. Select "KENTNET Services" from the main KENTNET menu
4. Select "Electronic Law Access Loan Application"
5. Read the on-screen instructions (and screen navigation explanation), then select "Law Access Electronic Loan Application (3-in-1)" (option #3) to complete your application. Notes about each question appear at the bottom of the screen to guide you through the process.
6. When you have entered all of your application information, the system will ask you if you want to FILE your information. When you answer "YES", your application is transmitted directly to Law Access.

If you have student loans through a lender other than Law Access (the bank that Law Access uses is Society National Bank in Ohio), this option cannot be used. If you are unsure as to which lender you have borrowed from, please contact the Office of Admissions and Financial Aid (Suite 230 or call (312) 906-5180).

Please note that you should wait until you receive a 1993-94 financial aid award letter before applying for fall loans. If you complete the financial aid application process by the April 1 deadline, you should receive your award letter by June 1.

Financial Aid Reminder

The deadline for 1993-94 financial aid applications is April 1st, to be considered for all forms of financial aid and need-based scholarships, and that is rapidly approaching. LAW OFFICES

Fall Registration for In-House Programs

Fall 1993 Applications Available in Room 600, Due Wednesday, April 7

Please note - There summer and fall application/lottery processes for Law Offices are separate procedures and require separate applications.

Students who would like to learn how to practice law while they are in law school should register for the clinical education class, **LAW OFFICES**. Applications are now available for fall. The fall applications are due April 7.

Students may enroll in Law Offices after they have completed their first year of law school. To be eligible to enroll, **ALL** students must complete and return a completed Law Offices application. Applications must be turned in to the Law Offices receptionist in Suite 600 by the deadline.

Students who have taken, are currently taking, or will take Summer 1993 Law Offices (called Continuing Law Offices Students) and who submit their applications by the due date will be given preference if availability permits. Next, priority will be given to the top ten students who did not turn down a place for Spring 1993, who were on the waiting list in the division they have marked as first choice, and who submitted their fall application by the due date. Other new students who have submitted their applications by the due date will be selected in the Law Offices lottery.

There are three in-house divisions to choose from - the Civil Division, the Criminal Division, and the Tax Division. In the Civil Division the clinical faculty handle a broad range of significant cases including employment discrimination charges on behalf of employees, civil rights cases, tort matters, real estate closings, etc. During the course of a semester, students typically interview several potential clients and are assigned from five to eight cases. They may draft pleadings, interview witnesses, write motions and other court papers, prepare for negotiation and counseling sessions, and second chair at various court appearances.

In the Criminal Division most of the matters handled by the clinical faculty are major felonies in both the state and federal courts. Thus, students work on such diverse cases as capital offenses and commodities fraud. They may interview witnesses, prepare motions, second chair at trials, and prepare for plea bargaining sessions.

In the Federal Tax Division the students, under the supervision of a clinical faculty member, handle Federal tax examinations, appeals and collections matters before the Internal Revenue Service, and litigation in the United States Tax Court. They may interview taxpayers; review documentation; research the applicable tax law; prepare and submit written protests to the I.R.S.; prepare Tax Court petitions, motions, stipulations, and briefs; and represent taxpayers before the I.R.S. and in the Tax Court.

Last Chance to Take the Myers-Briggs Type Indicator This Semester!

What is the MBTI? The Myers-Briggs Type Indicator (MBTI) is an instrument based on the work of Carl Jung's theory of personality types. The MBTI helps you identify your own preferences--whether you are energized by an outer orientation or by an inner orientation, how you gather information and make

decisions, and your lifestyle/workstyle orientation. Once you've identified your "type," you have one more piece of information to help you find your ideal work environment and plan an effective job search.

Each Myers-Briggs workshop session is two parts--you must attend both parts for the session to be worthwhile! Please notice that session C is planned to meet the needs of evening students. Advance sign-up is required--a sign up sheet is in the Career Services Office.

Special thanks to Renee Prescan and Ozzie Rodriguez for their artistic P.R. contributions. That way you can spend your summer hatching exciting projects for your committee. We need candidates for: Recycling Chair, Community Outreach Chair, Alumni Relations Chair, Fundraising Chair, and Speaker Chair. Nominations for all offices may be submitted starting March 16 either to the ELS mailbox or by email to LBASSI. If you have any questions about any of the offices, email NZIPPAY, GBURG, MDONNELL, OR LBASSI. Get going on those nominations.

GREEN TIP OF THE WEEK: The U.S. uses 450 billion gallons of water each day. You could take a longer shower every day with the water you waste by letting the tap run while you shave and brush your teeth. If you shave with the water on, you use an estimated 10-20 gallons each time. WHAT TO DO: When brushing your teeth, if you just wet and rinse your brush, you use only 1/2 gallon of water. Savings: up to 9 gallons each time you brush. When shaving, if you fill up the basin, you use only 1 gallon of water. Savings: up to 14 gallons each time you shave. (Better yet, just grow a beard.)

Law Students' Action for Justice

Fellow Chicago-Kent Students:

We would like to ask you to assist us in seeking justice for a good friend. Kevin Holmes, an 8-year veteran of the Aurora Police Department, has been repeatedly denied participation in the Police Pension Fund due to the fact that he has diabetes. He has no physical problems connected with his diabetes and is in top shape, unlike many police officers. Essentially, they are saying that Kevin is fit enough to risk his life as a police officer, but not fit enough to be earning a pension. If he loses his life on the job or becomes disabled due to events occurring during the performance of his duties, neither he nor his family receive any pension benefits, even though the other officers do. If he should work until retirement age and then decide to retire, he receives no pension, while the other officers do. The U.S. Justice Department made a visit to Aurora to look into his case. Kevin sued in the state courts and lost (this cost him about \$20,000 in legal fees). He is presently being assisted by attorneys who are pursuing his case in the federal courts under the premise that denial of participation goes against the American with Disabilities Act. A bill has been introduced in the Illinois legislature which may help in his effort. Senate Bill 108 will amend the Downstate Police Article of the Pension Code in relation to establishing eligibility to participate. It requires a hearing before denying eligibility and for purposes of pension eligibility, it provides that actual performance of police duties is conclusive evidence of a person's fitness to perform police duties.

Please write to your state senator and representative and ask that they vote YES for Senate Bill 108 when it comes through committee. Also, drop the state senator from Kevin's district a line and ask him to vote YES for Senate Bill 108: Senator Chris Lauzen, P.O. Box 111, Geneva, IL 60134.

Thank you.

RE: **CRITICAL INFORMATION REGARDING:
FINANCIAL AID AND NEED-BASED SCHOLARSHIPS**

The 1993-94 financial aid application forms are now available in the Office of Admissions and Financial Aid, Suite 230.

Once again, that time has arrived for you to begin the process of applying for financial aid for next year. Please take note of the calendar of important dates below; I suggest that you save this memo for later reference. Your financial aid, whether a loan and/or a need-based scholarship, depends on it.

We have prepared folders containing the applications, as well as information to assist you with the application process. Please be sure to read through the **entire packet**. There recently have been several changes to the financial aid application process, so those of you who have borrowed in the past will find some new forms and procedures this year. The application packets can be obtained in the Office of Admissions and Financial Aid (suite 230).

Please note that the April 1st deadline occurs during spring break (the dates of spring break are March 28 - April 4). If you plan to leave town, please be sure that you arrange to have your application materials in the Office of Admissions and Financial Aid by April 1st.

To be eligible for all forms of financial aid you must meet the deadlines listed below.

Calendar of Important Dates:

By April 1

1. The Free Application for Federal Student Aid (FAFSA - this is a new form), as well as the FAF, if you are filing that as well, should be received by the College Scholarship Service (CSS) no later than April 1. A pre-addressed envelope is enclosed with the FAFSA and FAF instruction booklets. Plan to mail it in sufficient time to meet the deadline.

3. Financial Aid Transcripts must be sent to all previously attended colleges or universities by April 1, if this is the first time you are applying for financial aid at Chicago-Kent.

By May 15

1. After you file your FAFSA, you will be sent a Student Aid Report (SAR) by the College Scholarship Service (CSS). All pages of your Student Aid Report should be in your financial aid file at Chicago-Kent College of Law by May 15, even though it will say that you are not eligible to receive a Pell Grant (Pell Grants are for undergraduates only). If you need to make corrections to your SAR, be sure to send a photocopy of the SAR, with all corrections indicated, to the Office of Admissions and Financial Aid at Chicago-Kent. Send the original to the address indicated on the back of the SAR. A revised SAR will be mailed to you approximately 2 weeks after the corrections are received at the processor. Make sure that you sign the report where indicated.

2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Worksheet. These materials and your SAR must be returned before a financial aid award will be determined for you.

By July 1

1. You are expected to turn in student loan applications from the lender of your choice by July 1. If you are unsure of a lender, contact the Office of Admissions and Financial Aid at (312) 906-5180. Loan applications for the Law Access program will be available in the Office of Admissions and Financial Aid, Suite 230. You can also obtain a Law Access loan application by calling Law Access directly at (800) 282-1550.

2. You should sign and return your financial aid award letter to the Office of Admissions and Financial Aid by June 1, or within three weeks if received after June 1.
